New Zealand

Nau mai haere mai ki Te Pūkenga

Welcome to Te Pūkenga

A national network of integrated learning in Aotearoa New Zealand, providing applied and vocational education and training that works with you, for you.

Te Pūkenga

New Zealand

TOI-OHOMAI

About Te Pūkenga

We're a network of New Zealand's 16 state-owned Institutes of Technology and Polytechnics (ITPs) and nine Industry Training Organisations (ITOs) that operate as a single national institution, Te Pūkenga – New Zealand Institute of Skills and Technology.

As the country's largest education provider, our network delivers world-class tertiary level education focused on vocational and applied learning, from certificate through to PhD level.

Our high quality vocational and applied learning experience is delivered within the unique New Zealand context that values diversity and inclusion and delivers premium experiences to international learners.

Why study in New Zealand?

Gain work skills and qualifications in New Zealand to prepare for the future.

Vocational and applied higher education in New Zealand

Learning with us will give you relevant work skills, real-world experience and globally recognised qualifications.

Focussed on the future

Study in New Zealand and you'll gain qualifications that are recognised and respected around the world. New Zealand was ranked the top English-speaking country at preparing students for the future by The Economist Intelligence Unit in 2019.

Real-world skills

You'll increase your employability by gaining relevant skills and hands-on experience in your industry. Employers help to create our courses and programmes, so you can be confident you're getting the right skills for the right jobs.

Flexible learning

Learning in New Zealand takes place at work as well as on campus and online. Your studies may include internships, work placements and industry projects. You'll gain experience in your industry, make contacts, and be ready to work as soon as you graduate.

Welcoming and supportive

One of New Zealand's most important values is manaakitanga - a Māori word meaning hospitality and kindness. You'll be given a warm welcome and the support you need to achieve your goals.

Ready for work

Working while you study

If you have a student visa, you may be able to work for up to 20 hours a week during the term and full-time during holidays.

Working after studying

You may be able to apply for a visa to work for up to three years in New Zealand after you graduate, depending on what you study and where you study.

Jobs in high demand

Discover what work skills are in high demand in the New Zealand job market. If you gain the skills we need, you may be able to work here after graduating.

Disclaimer The information contained in this Prospectus is correct at the time of production (Date to go here). NMIT | Te Pūkenga reserves the right to cancel or postpone any of the programmes, and shall not be liable for any claim other than the proportion of programme fees that the cancelled portion bears. Some programmes may be dependent upon formal approval from NZQA (New Zealand Qualifications Authority), TEC (Tertiary Education Commission) funding allocation, and the number of enrolments. As part of the NZQA targeted review of all Level 1-6 New Zealand qualifications, there may still be changes to some programmes starting in 2024. Fees, programmes, entry and selection criteria, and dates, are subject to change. Please check the relevant programme pages at wintec.ac.nz for up-to-date information and full entry regulations before applying to enrol. Information regarding English language requirements is available on each course page at nmit.ac.nz.

New Zealand

International Airports and flight times to Nelson and Blenheim:

Auckland	Flight time to Nelson 90 minutes, flight time to Marlborough 90 minutes
-----------------	---

Wellington	Flight time to Nelson 40 minutes, flight time to Marlborough 30 minutes
-------------------	---

Christchurch	Flight time to Nelson 50 minutes, flight time to Marlborough 60 minutes
---------------------	---

Our campuses

We have three main campuses in the Top of the South Island of New Zealand.

Nelson

Located in Nelson's vibrant city centre, taking up an entire city block, our Nelson campus is our first, and largest campus.

Marlborough and Woodbourne

The friendly Marlborough campus is located on the edge of the town of Blenheim, in the heart of New Zealand's wine country.

Our Aviation programmes are based just a short drive from Blenheim, on the Royal New Zealand Air Force Base.

New Zealand quick facts

- Population of 5 million
- Official languages: English (96%), Māori (4%) and New Zealand Sign Language (0.5%)
- Currency is the New Zealand Dollar
- New Zealand is the least corrupt country in the world (Corruption Perception Index, 2021)
- We are world leaders in social change. New Zealand was the first sovereign nation to grant women the right to vote in 1893.
- Leaders in student welfare. New Zealand was the first country to adopt a code of practice for the care of international students.
- New Zealand is the #1 English-speaking country at preparing students for the future (The Worldwide Educating for the Future Index (2019), Economist Intelligence Unit).

Our Student Testimonials

'Nelson's location really supports my study as it is located close to many aquaculture facilities such as fish farms, hatcheries, and aquatic research labs. The people in Nelson are so nice and welcoming. This is a perfect opportunity for me to learn more about my education and my life.'

**Giovanno Adnyana, Indonesia,
Diploma in Aquaculture**

'I had such great lecturers at NMIT, they inspired me to study hard and helped me to build a good work ethic.'

**Jorgen Sovre, Norway,
Bachelor of Information Technology
(Study Abroad)**

'The NMIT campus is located in New Zealand's main wine growing region. The second year internship during vintage allowed me to make my own wine, while getting course credit, great experience for future work and paid quite well. After I graduated from NMIT I had the opportunity to work in one of the biggest wineries in New Zealand.'

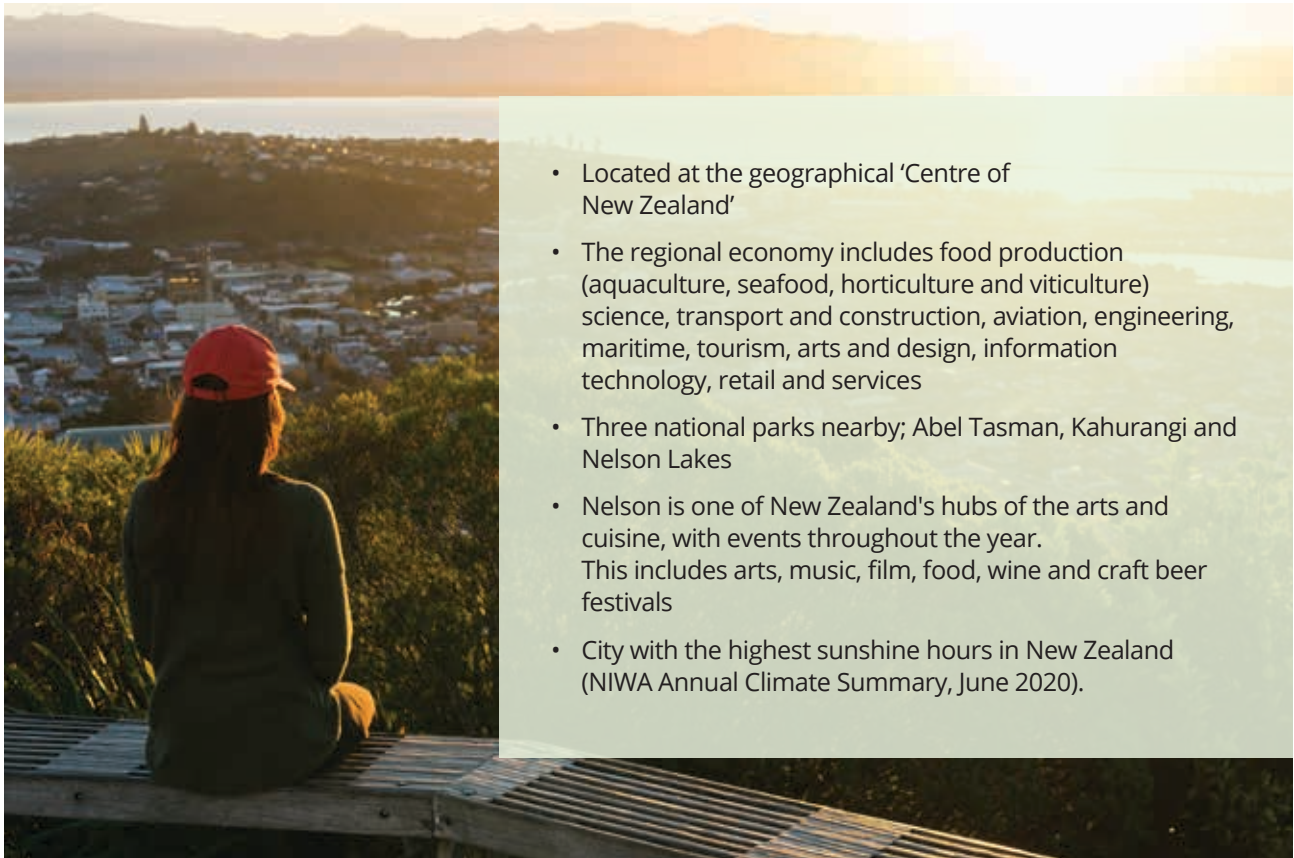

**Nichkan Sayasith, Thailand,
Bachelor of Viticulture and Winemaking**

'The tutors were really approachable, friendly and helpful.' Padam is excited about his new role (in aircraft engineering) and says he would definitely recommend the NMIT course to "cousins and friends" back home. "This is the job I always wanted and I am happy with it. I also love the working environment here and my workmates.'

**Padam Prashad Adhikari, Nepal,
Certificate in Aeronautical Maintenance
Engineering. Aircraft Fitter -
Adhikari Pacific**

Nelson

- Located at the geographical 'Centre of New Zealand'
- The regional economy includes food production (aquaculture, seafood, horticulture and viticulture) science, transport and construction, aviation, engineering, maritime, tourism, arts and design, information technology, retail and services
- Three national parks nearby; Abel Tasman, Kahurangi and Nelson Lakes
- Nelson is one of New Zealand's hubs of the arts and cuisine, with events throughout the year. This includes arts, music, film, food, wine and craft beer festivals
- City with the highest sunshine hours in New Zealand (NIWA Annual Climate Summary, June 2020).

Nelson Campus

Purpose built and award winning Creative Industries building.

The International Maritime Institute of New Zealand, part of NMIT, has world class facilities including Kongsberg Marine Engineering and Navigation simulators.

State of the art salmon-rearing facility on campus, and close links with the world-renowned Cawthron Institute.

The Library Learning Centre and Student Centre provide great spaces for students to study and come together.

Marlborough

- The heart of New Zealand's wine country and a world famous wine growing region for Sauvignon blanc
- Easy access to the picturesque waterways of the Marlborough Sounds, and ferry access to Wellington, the capital city of New Zealand
- Population of 45,000, mostly in the township of Blenheim.

On-site vineyard from which our students can make their own wine.

Marlborough Campus

NMIT winery and laboratories are located within the Wine Research Centre - part of the Marlborough Research Centre (MRC).

The Sensory Room and Laboratory are first class facilities for wine tasting and chemical analyses, used by local industry and students alike.

Woodbourne Campus

Aviation students study in our purpose built facilities, on the Royal New Zealand Air Force Base in Woodbourne.

Master's Degree and Postgraduate Diplomas

Postgraduate Studies in Applied Management

- Entry with any Bachelors degree and an IELTS 6.5 (each band 6.0 or higher) or equivalent**
- Nelson Campus
- Starts February, July and October
- Finish a Master's degree in as little as 15 months.

The PGDipAM and MAM have options to add a major in:

- Logistics and Supply Chain Management
- Business Analytics
- Healthcare Management
- Aquaculture Management (PGDipAM only)

NOTE: if choosing no major, course selection is more flexible including the opportunity to do a work based project.

To be admitted to the business analytics major a background in a related degree/major or related work experience is required.

Entry: Any Bachelor Degree and IELTS 6.5 (each band 6.0 or higher) or equivalent**

Aquaculture

Postgraduate Diploma in Sustainable Aquaculture (Level 8)

N

February

1 year

NZ\$27,500*

IELTS

6.5

Academic entry: Science degree or equivalent professional experience

This programme will give you the practical skills to build on your science degree knowledge. You will meet many people in industry and be able to take the skills you learn to work in aquaculture, here in our region and around the world.

Course content guide

- Research Methods
- Sustainable Aquaculture Practices
- Sustainable Aquaculture Management

Refer to website for more information.

This programme consists of six months in class and a six-month industry research project.

Career outcomes

Aquaculture production management, research technician, specialist roles such as health management or feed management.

Study Grants

Te Pūkenga – New Zealand Institute of Skills and Technology

To celebrate the next step in our journey since NMIT joined the new national institute, Te Pūkenga – New Zealand Institute of Skills and Technology, we are offering a number of study grants for new international students joining us in 2024.

Please note the tuition fees quoted for the qualifications list below in this prospectus are the net fee after a study grant has been applied.

Qualification	Original Fee	Study Grant Value for 2024 Start	Tuition Fee Payable for 2024 Start
Master of Applied Management	\$48,750	\$10,000	\$38,750
Postgraduate Diploma in Applied Management	\$32,500	\$5,000	\$27,500
Postgraduate Diploma in Sustainable Aquaculture	\$32,500	\$5,000	\$27,500
New Zealand Diploma in Civil Engineering	\$30,000	\$2,000	\$28,000
New Zealand Certificate in English Language (60 credits)	\$9,000	\$1,000	\$8,000

- Study grants are given as a reduction in tuition fees payable in the offer of place issued to international students starting in a 2024 intake for the qualifications listed above. Where an international student withdraws from these intakes, they will receive a refund of fees less administration fee and the study grant will also be withdrawn.
- Study grants are also not available to existing students who studied with us prior to July 2023, as you are covered by a grandparenting of fees policy, please email international@nmit.ac.nz for more details.

Graduate Diplomas

Business

IELTS 6.0

Academic entry: Bachelors degree in any discipline and evidence of IT competency at level 5 or above

Course content guide

Specialisms:

Networking, Software Development or Information Systems.

Refer to website for the complete listing of additional courses available.

Career outcomes: Security consultant, test analyst, data analyst, user experience designer, information technology manager.

'The approach to study at NMIT is way more practical than what I have seen in the past, you notice in the courses that there is a real link to industry. Most tutors have an industry background rather than just academic experience. The small campus at NMIT means that you often meet the people you are studying with, outside of the classroom. At the start of the semester, we did a team project, those teammates became friends when we started seeing each other outside of class.'

**Peter Daebel, Germany,
Master of Applied Management**

Bachelor's Degrees and Diplomas

Business

Bachelor of Commerce (Level 7) (Major in Marketing or Management)

February, July

3 years (single major)

Please note

Completion of this programme does not exempt the IELTS requirement for the subsequent bachelor programme.

English Language

New Zealand Certificate in English Language (NZCEL) (Level 3-5)

	
	February, July
	17 weeks per level
	NZ\$8,000 for 60 credits*
IELTS	See below

- Study in the beautiful, sunny Nelson region on the inner city Nelson campus
- Immerse yourself in the friendly local culture

You can take our English classes on their own OR pathway on to further study at NMIT.

Our highly qualified and very experienced tutors will help you to improve your English for daily life, work or study. We encourage you to be an active learner inside and outside the classroom.

Each Certificate level takes 17 weeks and can increase your IELTS score by the equivalent of 0.5.

On your first day as a student at NMIT you complete an English language assessment with NMIT which helps us to identify your level of study and ensure your learning needs are met. This helps plan the best study path for you.

General English

Learn to communicate with assistance in very basic, familiar, everyday situations in order to begin to participate in an English language environment.

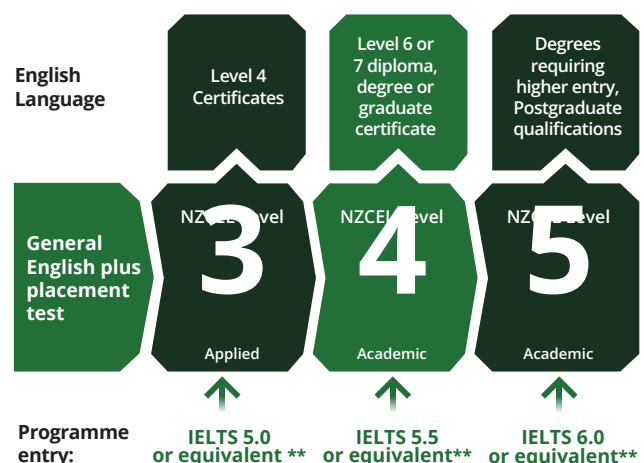

Same weekly tuition cost as NZCEL programme.

Pathway directly from English studies into your chosen programme of study, for example:

July
Pathway into Master of Applied Management

February
Study New Zealand Certificate in English Language (Academic) Level 5

17 weeks study

*Fees stated are the net fee after a 2024 study grant has been applied to the eligible programme. Please refer to the back cover for our fees disclosure statement.

**Please refer to NZQA English Language table www.nzqa.govt.nz/about-us/our-role/legislation/nzqa-rules/nzqa-related-rules/the-table/

Maritime Qualifications

Marine

New Zealand Diploma in Marine Engineering (Level 6)

STCW Engineering Officer of the Watch (EOOW) III/1

February, August

30-36 weeks

Please refer to website

IELTS 6.0

Course content guide

International Student Exchange

Complete part of your degree study overseas at one of our partner universities.

Choose to study a Bachelor programme at NMIT and you can study overseas on our Student Exchange programme in your second or third year.

Whilst you are completing part of your degree at an NMIT partner university you will only need to pay your normal NMIT tuition fees.

'The exchange is a great experience to develop yourself as both an academic and an individual. The skills you will gain, and the things you will learn about yourself will be invaluable.'

Monique Crawford, NMIT student on exchange in Germany

Our partner institutes

Denmark

- Copenhagen School of Design and Technology (KEA)

France

- ECE-BBA INSEEC Business School
- Rennes School of Business

Germany

- CBS International Business School
- Duale Hochschule Baden-Württemberg
- Frankfurt University of Applied Sciences
- Hochschule Worms University of Applied Sciences

Netherlands

- Fontys University of Applied Sciences

Norway

- University of Agder
- Nord University

Japan

- Aoyama University
- Kanagawa University
- Kansai University
- Nagoya University of Foreign Studies

USA

- University at Albany (State University of New York)
- Champlain College

Worldwide

- ISEP (More than 100 universities)

Student services

The Information and Enrolment Centre

The Information and Enrolment Centre provides centralised processing of applications, enrolments, re-enrolments, withdrawals, transfers and refunds for students. They can be contacted at international@nmit.ac.nz.

Student Orientation

When you arrive at NMIT you will meet Learner Services staff who will help you settle into the region and your studies at NMIT.

A Student Advisor will accompany you on a campus tour and introduce you to SANITI, the student association, and key members of staff.

You will also be given an orientation of your new local area. You will be shown where the local doctors, pharmacies, banks, supermarkets and other important services are located.

Orientation sessions also cover:

- Job search advice - SANITI
- Class expectations
- New Zealand Police and the law
- Driving regulations and owning a car.

Wellbeing Support Team

NMIT's Wellbeing team are on hand to assist you with the following:

- Adjusting to student life
- Connecting to people of your culture
- Balancing your study with work and family commitments
- Accessing professional counselling at no cost to NMIT students through www.vitae.co.nz and www.ocp.co.nz
- Accessing community and government agencies
- Referring to health and medical professionals.

The Wellbeing team have an urgent assistance phone number so you can contact someone for critical medical and/or safety information at any time, day or night.

0800 718 277 or +64 3 546 2333 from outside New Zealand.

Study Support Team

The Study Support Team are here to assist you with your learning.

They are located in the Libraries on the Nelson and Marlborough campuses. You can make an appointment to see them by emailing library@nmit.ac.nz

The team offer one-to-one and group learning support sessions.

They help students to become independent effective learners, and can help you with:

- Referencing skills
- Digital skills
- Maths
- Academic writing skills
- Planning essays or assignments
- Research skills.

IT Support

NMIT provides you with an email address, campus wide WiFi, a personal login for computers on campus and IT help service. You can access assistance for all the usual IT requirements, such as logins, passwords and printing.

If you need IT support, you can call free from your mobile phone, or use one of the on-campus Help phones.

This is in addition to IT Helpdesk Service station in the libraries.

Graduating

Graduations are the most important days in NMIT's calendar.

The ceremonies are recognition of your achievement and hard work, combining academic formality with the celebration of you as a graduate, your families and friends.

NMIT has graduation ceremonies in Nelson and Marlborough.

Costs and budgeting advice

Before you begin your studies at NMIT, there are some important things you need to know about life as a student in New Zealand.

Budgeting advice

Ask for advice

Your friendly Wellbeing Team can offer advice on budgeting and saving in New Zealand or you can contact the student association, SANITI for free independent advice.

Get a discount

With a Student Identity Card, you can get a range of discounts in local businesses from cinema tickets to food and clothes. See saniti.co.nz/discounts

Further support

New Zealand wants to welcome you and make sure you have the resources you need to enjoy your time here. Find out more about New Zealand wide support services at immigration.govt.nz/assist-migrants-and-students/assist-students and naumainz.studyinnewzealand.govt.nz

Working and study

As an international student in New Zealand your visa may allow you to work up to 20 hours a week and full time during the holidays.

The main purpose of a student visa is to allow international students to study full time in New Zealand. However, depending on your study programme you may have an opportunity to work while you study.

Many students find part time employment in the hospitality and service industries including restaurants, bars and supermarkets.

In New Zealand there are laws to protect workers, and this includes international students. Find out more about your rights and responsibilities working in New Zealand at immigration.govt.nz.

For those eligible to work, the following websites can be very helpful:

- seek.co.nz
- trademe.co.nz
- sjs.co.nz (Student Job Search).
- saniti.co.nz/employment

The current adult minimum wage rates (before tax) that apply for employees aged 16 or over are: NZ\$22.70 an hour, which is NZ\$454 for a 20 hour week, or NZ\$908 for a 40 hour week.

Cost comparisons

We have picked a few items to give you an understanding of some day to day costs in New Zealand (approximate costs):

NZ\$3.80

Bottle of Coke (1.5 litre)

NZ\$3.00

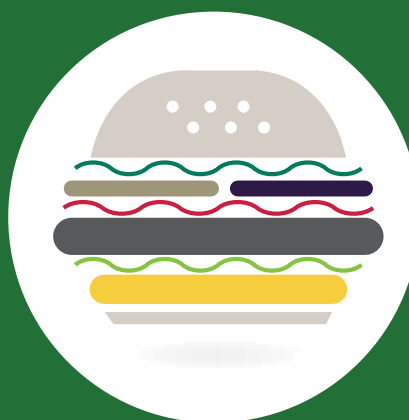

Petrol per litre

NZ\$15

Movie tickets (student price)

NZ\$140

Pair of Levi jeans

NZ\$8.20

Big Mac

NZ\$2

Bus fare - airport to Nelson

NZ\$10-20

Takeaway meal

NZ\$2.20

Rice 1kg

NZ\$20-40

Going out for dinner

Helpful information

Immigration New Zealand

The type of visa you will receive will depend on the duration of the programme. Please refer to Immigration New Zealand's website for further information.

Full details of immigration requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available from Immigration New Zealand, and can be viewed on their website at immigration.govt.nz.

Medical and travel insurance

International students, including groups of students, must have appropriate and current medical and travel insurance while in New Zealand.

NMIT will automatically arrange insurance cover for all students.

Students may choose their own insurance company, however it must comply with the minimum standards required by The Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021. If you arrange your own insurance cover, you must supply your Certificate of Insurance and Schedule of Cover, in English, to the Information and Enrolment Centre before the programme start date, email international@nmit.ac.nz. Once the insurance policy is evaluated and confirmed as meeting the minimum standards required by the Code of Practice, the policy taken out by NMIT on behalf of the student will be cancelled with the insurance fees refunded to the student.

Insurance cover must be to the length of your visa.

Eligibility for health services

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website at moh.govt.nz.

Accident insurance

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents, and temporary visitors to New Zealand but you may be liable for all other medical and related costs. Further information can be viewed on the ACC website at acc.co.nz.

2024 Academic year

NOTE: Some programmes start on unique dates, for more information visit nmit.ac.nz.

- Semester 1 19 February 2024
- Semester 2 22 July 2024

English language and Postgraduate business qualifications may have an additional start date to allow quicker completion of courses.

Additional start date: 14 October 2024

Accommodation

The Wellbeing Team can provide support to find accommodation while you study.

If you require on-campus accommodation or commercial accommodation, i.e. backpacker hostel or private rooms, we can advise on suitable providers. You will need to book with accommodation providers directly, as soon as possible, and preferably several weeks or months before you arrive in NZ.

Homestay

All accommodation options are subject to availability. NMIT recommends securing accommodation as soon as possible. Nelson's busiest period for accommodation is December-February.

- **Full homestay** - NZ\$360 per week
- **Half board homestay** - NZ\$330 per week
- **Independent homestay** - NZ\$260 per week
- **Placement fee** - NZ\$300

In a homestay you can expect to:

- Live with a New Zealand family in your own furnished room and become part of the family
- Improve and practise your English
- Learn new cultural experiences
- Full board homestay includes breakfast, lunch and dinner everyday
- Half board homestay includes breakfast and dinner every day, breakfast, lunch and dinner on weekends/public holidays
- Independent Homestay, buy and cook your own food
- Internet included
- Homestay families are selected in accordance with The Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021
- International students under 18 years of age are required to stay in approved under-18 homestay accommodation. Contact us for more details about under-18 homestay accommodation.

Please note: Homestay accommodation is subject to availability. There is a non-refundable placement fee to all homestay students.

Enquire about securing your homestay via the Host Families NZ website www.hostfamilies.co.nz.

Rent a room/house

Many students decide to rent a house or room with friends and fellow students. On arrival, the student support team is able to provide you with a list of websites for you to arrange your own accommodation.

The cost of renting a room varies between Nelson and Marlborough. The cost can range from NZ\$150 to NZ\$300 per room plus bills (electricity, telephone, internet and food).

For flatmate accommodation options visit www.trademe.co.nz/flatmates-wanted

Backpacker hostel and private rooms

- **NZ\$30 - 150+ per night**

To book these you will need to access their websites directly. The providers require a credit card deposit. NMIT student advisors can advise on suitable providers and the different options available.

Hostel prices vary with location and facilities provided. Some are shared room with shared facilities.

Apartment living

Apartment accommodation options are independently owned and operated.

Nikau Apartments in Nelson

- **From NZ\$190 - \$280 per week**

At Nikau Apartments in Nelson you will:

- Live with other students in one, two, three or four bedroom apartments
- Convenient access to your classes and the Library Learning Centre
- Just a two minute walk to the city
- Modern, comfortable and student-friendly
- Your own furnished apartment with a bathroom and a fully equipped kitchen to cook your own food
- Shared power, laundry and internet (costs are additional)
- 14 apartments in three blocks (42 apartments available).

Find out more and book directly online at nikauapartments.co.nz

No less than 169 in each skill.	Minimum of Grade C+ or 300 in all sub-tests	Level 5 (Academic) or (Professional)	PToE (Academic) score of 58 with no band score lower than 50	C1 Expert IESOL (LRWS) with HIGH PASS and no less than Pass in each skill or C2 Mastery IESOL (LRWS) with PASS and no less than Pass in each skill	ISEIII with no less than pass in any band

EXCEPTIONS

Pathway programmes onto higher levels require the IELTS score for the higher level programme.

NMIT Programme of study	IELTS Academic Score Required
Bachelor of Nursing	6.5 (no lower than 6.5 in all subtests)
Certificate in Nursing (Competence Assessment Programme)	7.0
Paetahi Tumu Kōrero Bachelor of Counselling	6.5 (no lower than 6.5 in all subtests)
Bachelor of Social Work	6.5 (no lower than 6.5 in all subtests)
New Zealand Certificate in Aeronautical Engineering	6.0

¹ The listed outcomes represent the minimum scores or grades for each test or qualification that qualify a student for enrolment at each programme level. Students with higher scores or grades than required for a particular programme level may still enrol at that level.

² IELTS scores used must be taken from a single IELTS Test Report Form (i.e. combining scores from more than one test is not permissible).

⁴ Other tests may be accepted and entry requirements are subject to change. See the website above for the latest entry requirements.

Entry requirements guide

The following table provides general academic entry information for students from different countries. Please note that the information provided is a guideline only and may be subject to change. Minimum grades apply.

Applicants to NMIT's graduate diploma or postgraduate diploma programmes must have an undergraduate degree in any discipline.

Country	Certificate and Diploma Programmes (Equivalent entry to New Zealand NCEA Level 1 or 2)	Degree Programmes (Equivalent entry to New Zealand NCEA Level 3)
Brazil	Certificado de Ensino Médio.	Successful completion of one year's tertiary study at a recognised institution.
Canada	Grade 11 Secondary School Diploma (general level).	High School Graduation Diploma or Senior Secondary Graduation Diploma.
China	Senior High School Graduation Certificate with a minimum of 70%.	Senior High School Graduation Certificate with B average.
Fiji	Fiji School Leaving Certificate.	Form 7 Examination or successful completion of one year of tertiary study at a recognised institution.
France	Please contact international@nmit.ac.nz for more information.	Baccalauréat or successful completion of one year of tertiary study at a recognised institution.
Germany	Realschulabschluss / Mittlere Reife.	Zeugnis der Allgemeinen Hochschulreife / Abitur or successful completion of one year of tertiary study at a recognised institution.
Hong Kong	Hong Kong Certificate of Education or Diploma of Secondary Education.	Hong Kong Advanced Level Certificate / Diploma of Secondary Education or successful completion of one year of tertiary study at a recognised institution.
India	Higher Secondary Certificate / Standard 12.	Higher Secondary Certificate / Standard 12.

**Not all majors offered in Marlborough. **See programme listing for details.

Welcome to **SANITI**

SANITI is your fun, friendly and independent Student Association which provides wellbeing support, events and representation to all enrolled students at Te Pūkenga/NMIT. We provide services for students across all campuses and online.

THE THINGS WE DO:

INTERNATIONAL ACTIVITIES

SANITI and Te Pūkenga/NMIT arrange FREE activities for you to get involved in throughout the year.

INDEPENDENT SUPPORT + WELLBEING

We listen to your concerns and help you with any issues you may have while you're a student.

EVENTS

SANITI puts on regular fun and FREE events on all Te Pūkenga/NMIT campuses & online.

INDEPENDENT ADVOCACY

Our advocates assist with StudyLink, Academic concerns, Complaint Procedures, Tenancy, and referrals or personal situations.

EMPLOYMENT

How to apply

1 Make your decision and apply

You can apply online at nmit.ac.nz or download an application form online and send a scanned copy to us by email to international@nmit.ac.nz, or send it by post to Information and Enrolments Centre, NMIT, 322 Hardy Street, Private Bag 19, Nelson 7042, New Zealand.

Remember to include a certified copy of your passport, certified copies of your academic records, proof of English proficiency, details of any work experience and any additional information required for specific programme entry.

If you need assistance with your accommodation arrangements, www.nmit.ac.nz/study/applying/before-you-arrive/accommodation-and-transfers/

Recognition of Academic Credit

If you already have a professional qualification and previous work experience or other tertiary qualifications and would like to be considered for credit exemptions to complete your study in a shorter time, please enquire about this service at international@nmit.ac.nz when you apply.

2 NMIT will inform you of our decision

If NMIT accepts your application, we will send you the following Acceptance Documents:

- Offer of Place
- Confirmation of Acceptance Form
- Notification of Fees
- International Student Fees, Charges and Refund Policy
- Information on compulsory travel and medical insurance.
- Pastoral care
- International Student Guide.

3 Accept your offer

Formally accept our offer by returning a signed Confirmation of Acceptance Form and pay the fees outlined in the Notification of Student Fees. Payment may be made by telegraphic transfer or credit card.

4 NMIT will confirm your enrolment

After we receive your payment we then send you receipt documents.

You will need to supply this document to Immigration New Zealand if you are applying for a visa.

5 Apply for a visa

You should now be ready to apply for your visa, using the forms available from your local New Zealand Embassy, High Commission, your agent or Immigration New Zealand (immigration.govt.nz). Be sure to allow enough time to complete this procedure.

6 Book your travel

Allow also enough time to organise your travel to

New Zealand and please inform us about your travel arrangements. We look forward to welcoming you to NMIT.

Have you remembered to tell us about your accommodation?

7 Book accommodation and airport transfer if needed

Payment

We recommend that you apply and enrol early, as places can fill quickly in many programmes. Late applications may be considered if there are places available on the programme.

We can help you at any stage of this process.

If you have any questions, please contact us at any time by emailing international@nmit.ac.nz.

Payment can be made by:

Telegraphic Transfer

Payment can be made by bank draft or telegraphic transfer to the following account:

Westpac New Zealand Limited

Account name: NELSON MARL INST TECH – STUDENT FEES

Bank account number:
03 0826 0168934 003

Branch: Head office

Address: 16 Takutai Square, Auckland CBD, Auckland 1011

Swift Code: WPACNZ2W

Attention: International Enrolments

Please also have your student ID number put as a reference so it is easier to trace.

Please note that bank charges may apply.

Credit Card Payment

Another option is to pay by credit card (Visa, MasterCard or Bankcard) (1.5% surcharge).

To make a payment by credit card, please email international@nmit.ac.nz

Flywire

Flywire allows you to pay securely from banks worldwide offering competitive foreign exchange rates and no hidden fees. Depending on your home country, payment options can include local bank transfer, credit card, e-payments, e-wallets, and more. Students and payers will be able to track their payments from start to finish, save on bank fees and exchange rates and contact Flywire's 24x7 multilingual customer support by live chat, phone, and email. To make your payment, go to nmit.flywire.com.

Code of practice

Nelson Marlborough Institute of Technology has agreed to observe and be bound by the Code of Practice for the Pastoral Care of International Students published by the Ministry of Education. Copies of the Code are available on request from this institution or from the New Zealand Ministry of Education website at education.govt.nz.

Fees disclaimer:* Fees listed are 2024 annual figures set in accordance with the TEC Fee regulations and indicative only, as fees may vary dependent on actual courses selected. Exact fees can be confirmed when you apply. Student Services Levy, text books, printing, stationery, additional registration fees, additional course costs and academic attire for graduation are all the responsibility of the student. Where additional costs apply, these may be made available on the website or alternatively on request. Every effort has been made to ensure that the fee information set out is correct at time of printing, however NMIT accepts no responsibility for any claim whatsoever arising from any error contained in this document. International learners are required to pay international fees and additional costs to attend one of our courses or programmes. These additional costs include medical and travel insurance cover. Please email international@nmit.ac.nz for further information.

Disclaimer: Please note, the information in this brochure is provided for your information and guidance. Every effort has been made to ensure it was accurate at the time of publication. Academic requirements and Entry requirements in this document are a summary and should be used as a guide only. All NMIT programmes have English Language entry requirements for applicants whose first language is not English. For the most up-to-date information, or for full details on entry requirements, contact NMIT Information and Enrolment Centre on 0800 422 733 or visit nmit.ac.nz. All programmes are run subject to sufficient student numbers. Where duration is stated in weeks, these include holiday periods.

Unified programmes disclaimer: Please note that programmes of study are currently under review as part of the reform of vocational education training. The objective is to provide one programme for Te Pūkenga that is portable, consistent, and more closely aligned with the needs of industry. As the review is ongoing, this prospectus is correct at the time of publishing but the courses outlined may change over time.
